

ALL MEMBER LEGAL HOTLINE

NEW MEMBER BENEFIT

The Virginia REALTORS® now offers a Legal Hotline to all REALTOR® members. This new Legal Hotline benefit is a web-based submission process to address your legal questions. Bookmark the Legal Hotline at: <https://www.virginiarealtors.org/legal-hotline/>.

How does it work?

At the top of the new Legal Hotline page there is a hyperlink to a User Agreement, and below that there are three statements that you are required to check. After the three statements, there will appear boxes that are auto-populated with your information pulled from our database and a field where you can type your question.

You will need to be logged into the website with your Username and Password to complete submission of a Legal Hotline question. Please note, for security purposes, your Username and Password are not automatically included here. Your Username is your NRDS ID and your Password is your last name with the first letter capitalized OR whatever you have changed your Password to be.

Your broker will receive notification of your question. The Virginia REALTORS® Legal Team will address questions efficiently in the order received.
