

Kara Macdonald

Vice President

Kara is the Director of Business Development and brings nineteen years of experience in processing, closing and marketing. She is always looking for ways to go above and beyond for our clients. She provides superior customer service and regularly develops and teaches classes related to anything from basic closing procedures to social media for real estate. She believes her greatest assets are her determination and passion for real estate and her zest for life. She was born and raised in Severn, Maryland and moved to Alexandria when she was a teenager. She lives in Loudoun County with her husband and two dogs. Her children attend college in Virginia. She enjoys spending time with her family, reading/learning and of course, all things social media.
