

FAIR HOUSING
MAKES U.S.
STRONGER

Commemorating 50 Years
of the Fair Housing Act

Fair Housing Course

Speaker: Harry Yazbek, Coldwell Banker

April 2018 marks the 50th Anniversary of enactment of the Fair Housing Act of 1968. DAAR is offering a two-hour course on Fair Housing.

In this seminar, we will examine the:

- Practices that are considered appropriate and those that are not, both in our conduct and in our advertising.
- Rights individuals have if they are discriminated against, and the penalties for those who discriminate.
- Current fair housing cases and administrative decisions under the Fair Housing laws in the hope that these recent events will help us to better understand how the laws are applied, how consumers are affected, and how we may avoid those mistakes and wrongdoings that others have chosen to make.
