

Introducing Homeowner Notifications!

Listing agents can now proactively share information with their clients that will make the process of showing their home more efficient and convenient. Homeowners will benefit from knowing when a showing has begun and will be able to return home quicker when notified that the showing has ended.

To set up Homeowner Notifications, follow the below steps.
After logging into the [SentriLock Website](#) select **Properties** from the top menu bar.

MLS Number	Location	Serial Number	Access Log	Listing Region	Listing Agent
1312028	7206 South West Chester, OH 43085	01406097	View	SentriLock Tour	Mays, Megan

Select the Property you would like to add Homeowner Notifications to.
Once the Property has been chosen, select **Notifications**.
