Last year, the Common Law Virginia Landlord Tenant Act and the Virginia Residential Landlord Tenant Act received significant changes. The changes made significantly impact your practice – whether you are a listing agent or a buyer's agent for rentals. The instructors will be teaching four different classes on the Common Law Virginia Landlord Tenant Act and the Virginia Residential Landlord Tenant Act. The first class will address topics such as: Common Law Virginia Landlord Tenant Act vs. Virginia Residential Landlord Tenant Act – is there a difference?

Who is my buyer, who is the landlord?

What if the rental agreement isn't executed by all parties, is it still enforceable?

Application fee vs. application deposit – is there a difference

How much security deposit can be collected? Does that amount differ if a bond is posted?

*These topics and more will be covered! **Sign up today** as you won't want to miss out on this opportunity for an in-depth discussion of these two important statutes.*
